## NEWS AND VIEWS . . .

### And What Have You

By BOB CRAIG

A number of people have called us about putting something in the paper about the current wave of dog poisoning going on in Hamlin. While we are glad to do anything that we can to stop such things from happening, we doubt very seriously if the vicious type person who would put out poison that can be picked up by children as well as dogs can be reached by anything we might say.

We admit that loose dogs are a problem, but poison is not the answer. If dogs are creating a problem, the Police Department or a member of the City Council should be called.

Two former Hamlin students and Pied Piper football players had good seasons this fall. One, Jerald McCanlies, is coach of De Leon Bearcats who won the Class A Regional Championship and fell to Honey Grove in the Quarterfinals.

The other one, Robert Pearce, record-breaking quarterback for the Stephen F. Austin State University Lumberjacks, has accepted an invitation to play in the annual Blue-Gray football classic Dec. 27 in Montgomery, Ala.

Coach McCanlies' Bearcats were defeated by the fourth ranked team in Class A, Honey Grove, 26-7. While we would have liked to have seen Jerald go all the way with his team this year, he had a fine season and we congratulate him for it.

Robert has had quite a season for the Lumberjacks and was the unanimous choice at quarterback on the All-Lone Star Conference first offensive team. He was the only unanimous choice.

Rambling Robert, as the sports publicity director calls him, amassed 2,490 yards in total offense for the season to establish a new conference record.

The Pied Pipers placed four boys on the first teams All-District and four on the second teams. Making first team offense were Jerry Braley, guard, and Robert Bolden, wingback. On defense were Charles Sellers, end, and Bill Hodnett, tackle, on the defensive unit.

Making the second team offense were Gary Maberry, tackle, and Spencer Ford, back. On the second team defense were Gary Smith, linebacker, and Charlie Shira, halfback.

This is the best representation that Hamlin has had on the All-District teams in some time, and we congratulate all of these boys for a fine season.

The Jones County economy will get quite a shot in the arm next year from the increase in cotton payments.

Jones County, which is second only to Haskell County as cotton producers in the 32 county Rolling Plains area, will receive \$4,744,257 in price support payments next year. This is an increase of \$1,100,925 over the \$3,643,332 received this year.

Those who missed the basketball tournament here this past weekend missed some real fine basketball games. This was the first time that the local tourney has been a round-robin event and we believe that this type of tourney has a lot going for it.

We believe we would rather see four good teams in action each night than to try to balance out eight teams. Two games a night is about all the fans will come out for anyway.

The effect of playing five games last week seemed to tell on the Pipers Saturday night but they managed to come through with a win over Anson to capture the first place trophy.

Both the Pipers and the Piperettes will be opening district play at Haskell Tuesday night and we wish both teams success on the long grind to the district title.

ATTEND CONVENTION—Looking over convention literature during registration of delegates to the 66th Annual Convention of the Texas Farmers Union held in Abilene this past weekend are (from left) John Scarborough of Hamlin, Jones County president; Jay Naman of Waco, Texas Farmers Union president; and B. F. Hoy of Aspermont, Stonewall County president. (Photo by Don Blakley, Abilene Reporter-News).

## Hamlin Places Four On 7-AA All-District, Haskell Leads With 10

The District champion Haskell Indians dominated the 7-AA All-District team selected by the coaches with 10 players on the 26-man squad. The Pipers placed four boys on the offensive and defensive teams.

The top four teams in the district placed all but one boy on the first two units with only Anson out of the second division clubs placing a boy on the squad.

Hamlin placed Jerry Braley, guard, and Robert Bolden, wingback on the offensive unit and Charles Sellers, end, and Bill Hodnett, tackle, on the defensive unit.

Making the second team offense were Gary Maberry, tackle, and Spencer Ford, back. On the second team defense were Gary Smith, linebacker, and Charlie Shira, halfback.

## North Central Youth, Choir Set Christmas Special

The young people of North Central Baptist Church along with the church choir will present a Christmas program "To God Be The Glory" during the regular Wednesday evening service.

Beginning at 7:30 p.m., the cast will include Ray Scifres as Joseph, Linda Walden as Mary, Deborah Fleming as the Angel, Mike Corley, Patrick Harper, and Ricky Cary as Wise Men, Randy Crouch, Guylan Roberts and Ronald Crouch as shepherds, and Charlie Thompson as Herod.

James Brigham will be narrator and the choir will be directed by George Campbell. Everyone is invited to attend, says the pastor, Rev. Harold D. Fleming.

## Rogue Theatre Under New Management

Rogue Theatre, now under new management by John Edd Scott, will continue weekend movie engagements, he said.

Scott, a Hamlin native and 1961 graduate of Hamlin High School, moved here from Dallas. He previously spent four years in the U. S. Air Force. He and his wife, Jackie, are parents of two children, Tammy, 2, and Temple, 3 months.

His parents, Mr. and Mrs. K. T. Scott and a sister, Mrs. Joe Wayne Carter, live in Hamlin.

Because of three ties, there were 14 boys named to the offensive team and joining Braley and Bolden were: Roy Pittman, Haskell, and Gary Walker, Stamford, at end; Bobby Wanoreck, Ballinger, and Gary Lovorn, Stamford, at tackle; Clifford Campbell, Haskell, and Braley, at guards; Gary Mayfield, Haskell, and William Lombard, Ballinger, tied for center.

In the backfield are Lanny Ivy, quarterback; Charles Franklin, Haskell, Raul Vasquez, Stamford, Johnny Gomez, Ballinger, backs, and Larry Langerhans, Anson, and Bolden, tied for wingback.

On defense is Andy McKeever, Stamford, and Sellers, at end; Clifford Campbell, Haskell, and Hodnett, at tackle; Roy Pittman, Haskell, and Gregg Pritchard, Stamford, at linebacker, Keith Everett, Haskell, and Johnny Garcia, Ballinger, at corners; Terry Chapman, Haskell, and Howard McDaniel, Ballinger, at half backs; Lanny Ivy, Haskell, and Roy Weeks, Stamford, at safety.

Eight juniors were named to the two first teams and the balance were seniors.

## BCD to Sponsor Annual Christmas Lighting Contest

The annual Christmas lighting and decorating contest will again be sponsored by the Hamlin Board of Community Development in cooperation with the Hamlin Garden Club. Merchants will donate gift certificates and prizes for the winners.

The contest is open to all Hamlin residents and only those who enter will be judged. Deadline for entering is Dec. 18.

Judging will take place Dec. 19 by representatives of the Stamford Garden Club.

Working out arrangements for the local Garden Club will be members of the Civic Beautification Committee which includes Mmes. John Ed Day, chairman, R. D. Moore, Joe Hudspeth and Horace Driver.

## Mid-Term Exam

Principal B. V. Newberry has announced the schedule for mid-term examinations to be given Dec. 18-19, immediately before dismissal for the Christmas holidays.

Examinations for classes first through fourth periods will be held Thursday, Dec. 18. Periods five through seven are scheduled Friday, Dec. 19.

## SFA Quarterback Robert Pearce Invited to Play in All-Star Game

NACOGDOCHES — Rapid Robert Pearce, the record-breaking quarterback of the Stephen F. Austin State University Lumberjacks, has a new honor to add to his growing collection.

Pearce accepted an invitation Tuesday to play in the annual Blue-Gray postseason football classic Dec. 27 in Montgomery, Ala. He will report Dec. 20 to begin workouts with the Gray all-star squad.

The golden bomber of the SFA Lumberjacks will be in elite company when he reports to Montgomery. The two squads are made up of outstanding senior football players from throughout the nation.

Coaching the Gray team this year will be Texas Tech head coach J. T. King.

"This is a great thrill," said Pearce after he had been extended the invitation.

SFA head coach Travis "Shorty" Hughes said, "This is a real fine honor for an outstanding football player. Pearce is truly a great one. Being selected to play in the

Blue-Gray game is a big honor, not only for Pearce but for our team and our school."

Pearce is the first football player in the history of SFA University to be selected to play in a major all-star game.

Selection to the Blue-Gray squad came as the second high honor for Pearce this week. He was a unanimous choice at quarterback on the All-Lone Star Conference first offensive team in selections announced last weekend.

Pearce was the only unanimous choice on the offensive unit. Pearce, the blond scrambler from Hamlin, sparked the Lumberjacks to a 7-3 record in his final season. And he virtually rewrote all the SFA and Lone Star Conference records in the process and finished among the nation's leaders in passing and total offense.

Rambling Robert amassed 2,490 yards in total offense for the season to establish a new conference record. That gave him a total of 3,834 yards in his two-year career at SFA after transferring from Cisco Junior College. (He

## Bands to Present Christmas Festival Monday Evening

The eleventh annual Christmas Festival will be presented Monday at 7:30 p.m. in the Hamlin Public School Auditorium.

Selections will be presented by the Hamlin concert bands, and stage band under the direction of Tim Jones.

Following a religious-patriotic theme, the high school band will be presenting the traditional "Christmas Festival" along with other inspiring and entertaining selections.

The beginner band will open the evening of entertainment, followed by the junior high band and the high school band. The stage band will climax

the presentation.

Decorations will be prepared by Chris Perrin, chairman, Charlie Shira, Tara Colley, Russell Willingham, Thomas Goolsby, C. A. Jenkins, Peggy Jones, Toni Casey and Kathe Christian.

The program committee includes Darrell Craig, chairman, Jeanie Ferguson and Mary Dell Jenkins.

Tickets may be purchased from any band member and will be for sale at the door. Admission is \$1 per person.

## Rash of Dog Poisoning Reported Here, Chief Warns of Penalties

A rash of dog poisoning with a number of family pets being killed has been reported to the Hamlin Police Department. Chief Bryan Wasson issued a warning to those guilty of such a crime of penalties involved if caught.

He said that the law refers to setting out or depositing poison and if an animal that is killed has a value of over \$50 the penalty is 2 to 10 years. If the value of the animal is under \$50 the penalty is not to exceed two years and not to exceed

\$500 fine or imprisonment without fine. The maximum penalty in this case would be two years imprisonment and a \$500 fine.

Chief Wasson urged all Hamlin citizens to please let his department know immediately if they have an animal poisoned. He said that the only possible way to stop this dangerous crime is to get on the case as early as possible.

He also warned anyone guilty of such action of the dangerous possibility of a small child getting the poison.

## Hamlin, Wylie Meet Tonight In Anson, Hardin-Simmons Tourneys

The Pipers will be meeting Wylie in the opening round of the Anson Tournament tonight (Thursday) at 7 and the Piperettes will be meeting the Wylie girls in the first round of the H-U tournament in Abilene at 7:30 the same evening.

Tuesday evening the two teams will be joined by the B team as they journey to Haskell to meet the Indians in the opening round of district action.

The Pipers won their own tourney here this weekend with wins over Fluvanna, Aspermont and Anson. Making the all-tournament team were Robert Bolden and Charlie Shira. Joining them were Bob McLaren, Anson, Larry Patterson, Fluvanna, and Danny Frazier, Aspermont.

The Pipers defeated Fluvanna, 80-74, in the first round Thursday night with Shira high with 24 points. Anson downed Aspermont the same night, 53-52.

On Friday night the Pipers whipped Aspermont, 74-39, with Shira again high with 25 points. Anson opened Fri-

day play with a 63-50 victory over Fluvanna.

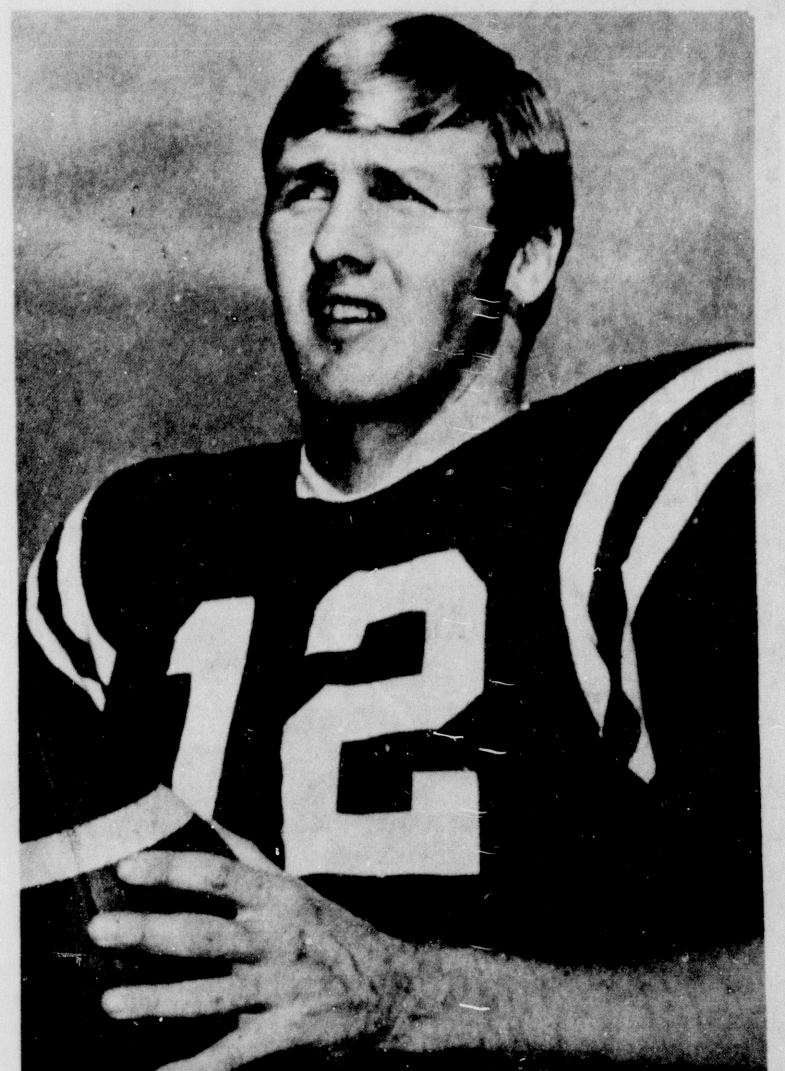

Bolden led the Piper scoring Saturday night as the Pipers won in the final second over Anson 47-46, to capture the championship. He scored 14 points for the Pipers. In the first game Aspermont downed Fluvanna.

The Piperettes won the consolation championship in the Anson Tournament with a 28-16 victory over Albany. The Piperettes dropped their opening game to Merkel, 59-29, with Merkel going on to capture the tourney. The local girls drew a bye in the second round. Marcia Steele was high for the Piperettes with 8 points in the first game and 22 points in the final.

Marcia Steele was named to first team All-Tournament team and Debbie Hardaway was named to the second team.

## Dianna Crowley On Band Tour

No gas bill will be rendered to any residential or commercial consumer served under the above rate not consuming any gas during any monthly billing period.

## ADJUSTMENT

The amount of each net monthly bill computed at the above set stated rates shall be subject to the following adjustment; Plus an amount equivalent to the proportionate part of any new tax, or increased tax, or any other governmental imposition, rental, fee, or charge (except state, county, city and special district ad valorem taxes and taxes on net income) levied, assessed or imposed subsequent to July 1, 1969, upon or allocable to the Company's distribution operations, by any new or amended law, ordinance or contract. Each gross monthly bill shall be adjusted proportionately. Company, at its option, may forego the application of this adjustment; however, failure of Company to apply such adjustment shall not constitute a waiver of Company's right from time to time, or at any time, to make such adjustment, in whole or in part, in any subsequent current monthly bill that may be applicable to such bill.

The above rate is applicable to each residential and commercial consumer per month or for any part of a month for which gas is used at the same location.

In addition to the aforesaid rates, Company shall have the right to collect such reasonable charges as are necessary to conduct its business and to carry out its reasonable rules and regulations in effect.

## SECTION 2. The rate set

forth in Section 1 may be changed and amended by either the City or Company furnishing gas in the manner provided by law. Service hereunder is subject to the orders of regulatory bodies having jurisdiction, and to the Company's Rules and Regulations currently on file in Company's office.

# 10 things America's new small cars won't talk about.

Nova talks about things those new little cars prefer not to mention. For instance, (1) a cargo-guard luggage compartment; (2) an extra set of fenders inside the fenders; (3) flush and dry rocker panels that help prevent rust and corrosion; (4) a quality built Body by Fisher; (5) Magic-Mirror acrylic lacquer finish; (6) a firm, steady ride programmed by computer-selected springs; (7) six different engines and five transmissions available; (8) an available lighting group that even includes a monitor for your windshield washer fluid; (9) radios you can order, with antennas built right into the windshield and (10) the availability of a new, more compact radio/stereo tape system. America's little cars don't offer them. Nova does. Nova also has a very appealing price. And a lot of loyal friends.

Wonder why.

Capital NEWS

By VERN SANFORD

**AUSTIN, —** January's draft call for Texans is 573. That is up 117 from December's 456.

Col. Morris S. Schwartz, State Selective Service director, said allocation of the call will be delayed to local draft boards until he receives official instructions on procedures for random selection.

Induction period is January 15-31.

Under the new Selective Service rally, men from 19 to 26 . . . born on September 14 . . . whose last names start with the letter "J" will be the first drafted after January 1.

Under the new lottery procedure 365 capsules are dropped into the hopper. Each capsule bears a number representing a day in the year. These are regarded as birth dates.

Order in which capsules are drawn thus determines the order in which men with matching birthdays will be drafted next year. Same sequence applies to those now deferred, or exempt in the future, when they return to "I-A" classification.

Texas' quota for pre-induction physical and mental examination next month is 5,800.

In addition to available men 19-26, all those 18 years and six to 11 months old in January of 1970, may be ordered for examination to fill the call. Oldest will be ordered first.

A 17-member Youth Advisory Committee to Schwartz elected these officers: William C. Sarapalius, presiding officer; Michael J. Shearn, vice chairman and Miss Karen K. Burk, secretary.

This group will evaluate

the draft law and its administration and offer advice.

Other members include Rodney E. Donaldson, Austin; Eddie C. Hill, Dallas; Larry L. Long, Austin; Peter S. Cotham, Paris; Jose G. Guerra, Edinburg; James H. Wilkinson, Houston; Robert L. Jones, Corpus Christi; Robert J. Hodges, Austin; Miss Sandra Coachman, Belton; Jay N. Miller, Odessa; Michael L. Riddle, Lubbock; George H. Gould, Beaumont; Frank L. Sullivan, Nacogdoches and Larry L. Freeman, Houston.

**ATTORNEY GENERAL RULES —** A Texas law requiring publication twice in a newspaper of political subdivision land up for sale does not repeal the statute requiring commissioner's courts to appoint a commissioner to dispose of county real estate at auction, says Atty. Gen. Crawford Martin.

Martin also ruled that the new law does not repeal the provision that a taxing unit which purchased property at a tax sale may sell it either at a public or a private sale.

In other recent opinions Martin concluded:

Navigational districts, water districts and river authorities may become subscribers for workmen's compensation insurance for employees.

Councils of government can accept federal grants for water pollution control programs.

Soil and water conservation districts are prohibited by budget bill from using state funds to buy liability insurance.

Counties under the Tort Claims Act do not have to carry workmen's compensation insurance.

Hospital administrators may

refuse to furnish to a widow medical records of a former patient who died shortly after discharge from the hospital.

Local school fund assignment credit for federal-owned military posts must be proportionately computed on the basis of total territory in the district, including that resulting from annexation of another school district.

Garden clubs which are institutions of "purely public charity" can be exempt from property tax.

Salary supplements to get doctors and dentists for state hospitals are legal.

Former legislators seeking state retirement benefits must, under a new provision, make application by January 1 and pay prior-year contributions.

Persons who are employees of a participating sub-division of a participating sub-division of the effective date of its joining Texas County District Retirement System automatically become members on the effective date of the agreement. —

**COURTS SPEAK —** Texas Supreme Court refused to change its rule that the Sunday closing law is constitutional. However, it granted a motion by challengers to stay its mandate pending appeal to the U. S. Supreme Court.

Federal district court here threw out atheist Madayin Murray O'Hair's suit to prevent broadcasting of prayer and Bible readings by astronauts from outer space. She said she will appeal.

State Supreme Court agreed to send back for retrial a medical malpractice suit brought by a farmworker against an Ennis doctor.

High Court was asked to reconsider its finding that a young Army Sgt., Albert Buckman Wharton II, is sole heir to Electra Waggoner's \$45 million estate located in six North Texas counties. A foster sister challenged the will.

Supreme Court ordered a new trial of a suit resulting from a three-car collision in Collin County.

Court of Criminal Appeals reversed itself and upheld the life sentence of a man convicted of having narcotics paraphernalia.

**DISASTER TAG URGED —** Governor Smith has asked that 27 counties in East Texas be declared as disaster areas due to the prolonged drought this summer and fall. Counties are Anderson,

SMALL TOWN SAFETY VALVES — Interest in developing the small town as a safety valve of galloping urbanization is gaining momentum.

Governor Smith started the new-interest in small town development when he announced his "Texas Communities Tomorrow" plan, which offers a program of self-help for the state's decaying rural communities.

Texas Municipal League devoted an entire issue of its magazine, Texas Town & City, to the problems — and the solutions.

Governor Smith has said "if we continue to worry about urban problems in a relatively exclusive way, without attending to the plight of small towns, we will have only rural wastelands and urban slums."

SHORT SNORTS

Attorney General Martin announced that he will run for a third term.

Bob Shannon of Austin, formerly of Brownwood, said he will run for the Third Court of Civil Appeals, the Austin appellate court which reviews virtually every appeal involving a state agency.

Cigarette tax revenues jumped nearly \$2 million from November, 1968, to last month — due to the 4.5 cent-a-pack increase which became effective October 1.

Sen. Jack Strong of Longview announced he will not seek re-election to his District 2 Senate seat.

A state regional planning assistance grant of \$18,400 went to the 17-county West Central Texas Council of Governments, with headquarters in Abilene.

No quick recovery is seen from the recession in house construction, according to University of Texas Bureau of Business Research.

Texas economic expansion in general is slowing — and hopefully the inflation pace will slow also, says UT B. B. R.

Conservation District Announces  
Annual Essay Contest for Students

The California Creek Soil and Water Conservation District's Annual Essay Contest rules were announced this week by H. Birger Haterius of Avoca. Haterius, Chairman of the Board of Directors of the District, said that all boys and girls enrolled in high schools of the District are eligible to enter the contest. All essays, to be eligible for the contest, must be submitted to the California Creek SWCD, P. O. Box 509, Stamford, Texas 79553 no later than January 10, 1970. Haterius stated that it was preferable that all essays from an individual school be submitted together from the school. However, this is not to discourage an individual boy or girl from submitting an essay direct to the Board of Directors.

The 1970 Essay Contest is a part of the Silver Anniversary of the TEXAS CONSERVATION AWARDS PROGRAM. The Awards Program is sponsored this year, statewide, by the Fort Worth Chamber of Commerce, and the local soil and water conservation districts of Texas. The 1970 Essay Contest subject is "My Stake in the Natural Resources of Texas." Up to 300 words are permitted. The Board of Directors will have the essays judged, and the Champion Essay will then be entered into the State and Regional Contests. A Savings Certificate of \$25, \$20, \$15, \$10, and \$5 will be awarded to the top five contestants in the District.

Jones County Farmers to Receive  
Over \$1 Million Increase In 1970

Cotton farmers in the Rolling Plains area and in Jones and Haskell counties in particular were treated very well in the government program for 1970 according to Charles Bragg, executive vice president of Rolling Plains Cotton Growers.

Haskell and Jones Counties, with over 100,000 acres of allotment, will realize increases in cotton payments amounting to more than \$1 million each.

In spite of a 26-pound per acre cut in Texas' state yield, 21 Rolling Plains counties received increases ranging from 2 to 51 pounds per acre. Coupled with an increase in the cotton payment rate from 14.73 in 1969 to 16.80 cents per pound in 1970, several other counties will realize substantial increases in total payments.

Jones County's projected yield for 1969 was 359 pounds while for the coming year it will be 394. Allotment for 1969 was 104,453 acres and for 1970, 110,268 acres. Haskell's projected yield for 1969 was 352, and for 1970, 385. Allotment for 1969 was 115,220, and for 1970, 122,216. Stonewall County's projected yield for 1969 was 276, for 1970, 289. The allotment for 1969 was 25,971 acres and for the coming year, 27,744. Payments in Haskell County for 1969 totalled \$3,883,202 and for 1970, they will be \$5,138,179. In Jones County the 1969 total was \$3,643,332 while for the coming year it will be \$4,744,257.

Mr. Bragg pointed out that this increase in cotton acreage will mean much to the economy of the area, providing more jobs and more buying power for many persons.

### Frank Calhoun Announces for Re-election

State Representative Frank Calhoun of Abilene will seek re-election to the Texas House of Representatives in 1970. Earlier this year, Rep. Calhoun was reported to be a potential candidate for Attorney General of Texas next year.

In response to inquiry from the news media, Calhoun said: "I have talked to a great number of people about my being a candidate for Attorney General in 1970 and I have received both encouragement and discouragement. As a result of my travels and discussions, I have reached the conclusion that I should not attempt such a race at this time. I intend to seek re-election to the Texas House of Representatives from Jones and Taylor Counties and will formally file as a candidate prior to the February 2 deadline."

"After two terms in the Texas House of Representatives, I feel that my seniority will put me in a better position to render significant service to District 62 and I will ask the people to re-elect me for another term. The next few years are going to be trying times in Texas and the Legislature must continue to grapple with the problems of law and order, education, water development and air and water pollution. I hope to help solve some of these problems."

Calhoun was re-elected to the Texas House of Representatives in 1968 without opposition and in the 61st Legislature served as Vice-Chairman of the House Committee on Urban Affairs and as a member of the following committees: Judiciary, Motor Transportation, Parks & Wildlife and Oil, Gas & Mining. He also serves on interim committees studying the judicial system of Texas, the problems of West Texas and faculty compensation in our state supported colleges and universities.

### Guilty Plea Entered In Aggravated Assault Case

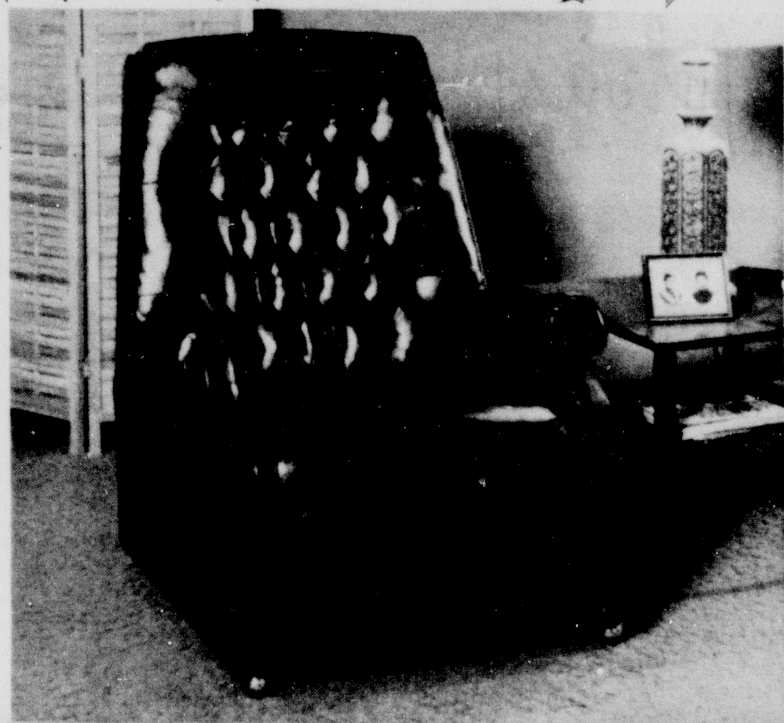

Sirildo Lerma, 17, of Northeast Ave. C., Hamlin, entered a plea of guilty Monday to aggravated assault against Crispin Campos of Ennis, Texas.

Formal sentencing will be withheld until Dec. 15 by County Judge Leon Thurman.

Charges were filed against Lerma in County Court as a result of an affray Saturday night, Nov. 22, at the Hollis Fina Station in which Macario Montoya was killed, says Police Chief Bryan Wasson.

In the same incident, Lerma was wounded by a gun shot in the groin and Campos was severely wounded by a knife.

Sen. Jack Strong of Longview announced he will not seek re-election to his District 2 Senate seat.

# FROM THE FILES . . .

**FORTY-FIVE YEARS AGO**  
(December 12, 1924)

It has been some weeks since The Herald had "some weather" in it. But to keep the record straight it becomes necessary now to say that winter in old-fashion form arrived Tuesday morning and snow began falling and by night the whole country had a pretty white blanket, despite the fact that the flakes melted very fast as they fell. This snow came and found many trees yet with 1924 leaves. So far there has been no hard general killing frosts, but the mesquites will "shed" for keeps now.

The effect of the snow and freeze on cotton will make the "bollies" snap better and in a few more pretty days the entire crop will be gathered. Even while the snow was on the ground Wednesday, several loads of cotton were brought to the gins.

For the past two years the Good-Fellowship Club has been organized at the Christmas Season, to take care of needy families and to make it possible for Santa Claus to visit the kiddies where otherwise they would not be remembered.

The Club has been organized this year and Mr. Turner, Mayor, has already secured a fund of \$75. 50. Only the merchants on the West side of Central Avenue have had an opportunity to contribute, and other business houses will be visited and asked to contribute to this worthy cause.

Those wishing to help in this good work may see Mr. Turner, who will take care of the contributions.

Friday marks the close of the 1924 part of the public school, as far as the student body is concerned. Next week the faculty will be in Stamford attending the District Teachers' Institute. This institute is of a number of counties and several hundred will be in attendance.

The Hamlin school will resume work again on December the 29th, according to reports.

**TWENTY YEARS AGO**  
(December 9, 1949)

Hamlin's two gins had turned out 9,589 bales of cotton from the 1949 crop, reports made Thursday morning indicated.

Each of the gins said they have "from 12 to 15 bales" of cotton on their yards and in their warehouses, which will be ginned during the damp weather which arrived Thursday morning.

The crop locally is believed to be at least 90 per cent harvested, and little more is expected to come in. During the rush season neither of the gins could catch up with the rapid flow of cotton, despite the fact that both worked day and night.

Members of the Hamlin senior class this week were putting final

touches on practice for presentation of the annual class play, slated for presentation Friday evening at 7:30 in the High School auditorium.

The play, a 3-act comedy, titled "Seventeenth Summer," is directed by Miss Bille Kathryn Lancaster.

The cast: Frances Martin, Kitty; Frankie Sue Wilson, Angie; Bobbie Ruth Brown, Mrs. Morrow; Jerry Briscoe, Mr. Morrow; Patsy Ruth Parker, Margaret; Donna Gayle Miller, Lorraine; Nita Green, Jane; Yneil Decker, Margie; Buddy O'Neal, Jack; Eldon Campbell, Martin; Roy Riley, Art; Raymond Scifres, Tony, and Wayne Daniel, Fitz.

**TEN YEARS AGO**  
(December 10, 1959)

One of the biggest crowds in the history of Hamlin came to Hamlin Tuesday afternoon to see Santa Claus come to town and witness and participate in the big Christmas opening parade.

Parking space was at a premium, and long before the parade started, cars were wedged into vacant spaces several blocks from Central Avenue that had not been utilized for months.

And Santa Claus did come to town aboard an elephant—to the delight of hundreds of kids and grown-ups alike. Led by the Junior High School Band, the parade formed on North Central Avenue near Simpson's Grocery, and made its way down Central Avenue to Southwest Fourth Street, where it dispersed. Santa and a concourse of added features including trained chimpanzee, ponies and penguins, the parade also numbered the Pep Squad girls, old cars, brand new cars, Cub Scouts, Camp Fire Girls, Blue Bird Girls, Hamlin Riding Club and the High School Band.

Classes at all Hamlin schools were dismissed for the parade, which got underway at 3:00 p.m. Parade marshal was Ed Croan, who asks The Herald to publicly thank participants for their cooperation in the event.

Candy was distributed by girls who helped Santa Claus as the parade wended its way down Central Avenue.

Following the parade, free pony rides and circus acts were conducted on the Dillingham lots on Southwest Avenue A, under sponsorship of the Hamlin Board of Community Development.

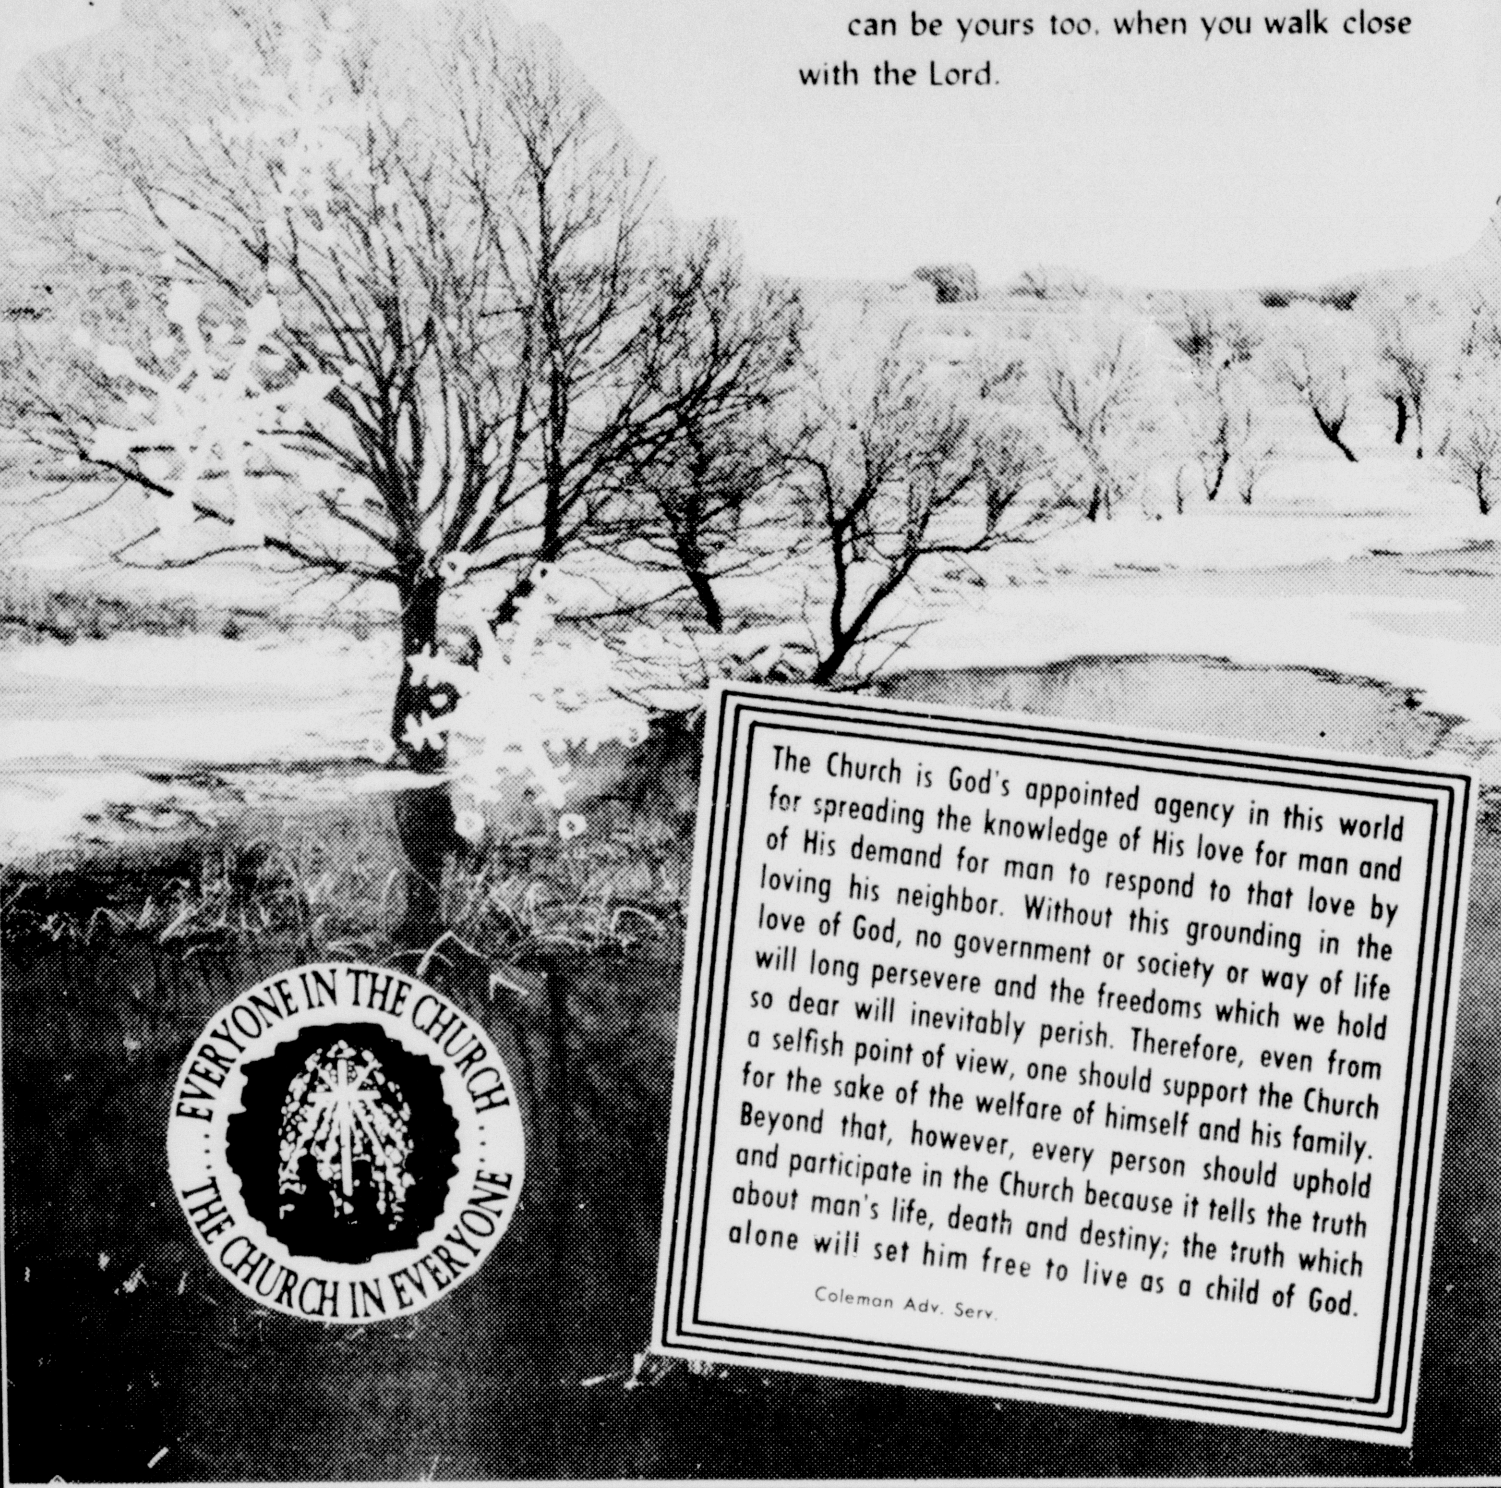

Members of the senior class of Hamlin High School are proudly displaying their brand new senior rings. The rings arrived Monday, and it was a common sight to see a senior dashing around the school making last minute payments and claiming his ring.

Seniors chose a plain gold ring or one having a red, green or blue stone in the center. Hamlin High School is embossed around the stone. Date of graduation, 1960, the Pied Piper and a star adorn the sides.

## Whiter than Snow...

"Purge me with hyssop, and I shall be clean; wash me, and I shall be whiter than snow." The Psalmist desired to be pure and white as snow, and knew that this could come only from God. Complete joy, and gladness of a pure heart can be yours too, when you walk close with the Lord.

THE HAMLIN HERALD

## Neinda Philosopher Tries His Hand At Explaining Some of the Many Aspects of Inflation

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One takes a look at inflation this week, but it's hard to tell what he sees.

Dear editor:  
I had to make another trip into town the other day to pick up another 5-cent tractor bolt now costing 15 cents and since I was throwing money around recklessly anyway I hauled off and bought a newspaper.

In it I ran across an article that said the cost of a college education is up 68 per cent since 1957, and this got me to thinking about inflation. Now you take that 15-cent bolt. It's true it costs three times as much as it did 10 or 12 years ago, but at the same time it's still just as good as the earlier one.

Now with college education, I don't want to get into an argument, uh, I don't want to compare bolts and nuts with college kids, but are you positive the product is as good today as it was 12 years ago? Or are they just televising the wrong ones?

As I understand it, inflation hits us in two ways. In one, the quality stays the

same but the price goes up, like in automobiles. Cars are as good today as they were 12 years ago, they just cost a lot more. In the other way, the price stays the same but the quality comes down, like in a nickel candy bar. You can still buy a nickel candy bar, you just don't get nearly as much candy. Mostly wrapper.

But when inflation really

### Junior High Wins Two At Hawley

The Hamlin Junior High seventh and eighth grade boys won their games against Hawley Monday evening. The eighth grade girls were defeated 11 to 28.

Leigh Ann Vaughan was high point for Hamlin with 11 and Hawley's high point girl had 16 points.

The seventh grade boys score was 31 to 10. Johnny Jones was high with 18 points. Eighth grade boys scored 53 to Hawley's 15. Bill Cork was high with 17 followed by David Willis with 14.

The next game will be the Anson Junior High School Tourney Jan. 5, 8, and 10, 1970, for the eighth grade teams.

hurts is when you pay a lot more but don't get as much. Take Congress for example. Congress costs over twice what it did 12 years ago, but can anybody prove . . . well, I'd better not get into that.

It's an odd thing. Politicians are always saying if you raise salaries you'll get a better quality of office-holder, but what happens? We raise the salary and the same people turn up running for the same offices.

There's just one way to whip inflation, and if I knew what it was I'd say so.

Yours faithfully,  
J. A.

### Practice Teaching

Mrs. Jim Kincaid, the former Ann Kemp, daughter of Mr. and Mrs. Fred Kemp of McCaulley, is practice teaching this semester at Matthews Junior High School in Lubbock.

A homemaking major, she is teaching foods. She will graduate from Texas Tech at Christmas.

## Fun in the Kitchen

Playing in the kitchen is an old American tradition going back to earliest Colonial days. It was always a warm, cozy spot where the family felt close together. Today, the kitchen is still a popular place for youngsters watching Mother prepare dinner, having a "party" with a friend, or playing with the family pet. These young ladies have invited a poodle to their after-school snack. Mother is spraying the house with an in-

secticide containing pyrethrins. She knows that pyrethrins are the only generally available insecticide which can be labeled "Non-Toxic to Humans and Pets." Pyrethrins are ideal outdoors or indoors — all year round — because they are not harmful around children, food or pets. Only insects are affected — and quickly. But always check the label. Make sure it says: "Non-Toxic to Humans and Pets."

## Piper Patter

Thomas Goolsby  
Toni Casey  
Mary Wallace

The Pipers won the basketball tournament which they hosted Thursday, Friday and Saturday. Teams entered were Fluvanna, Anson, Aspermont, and Hamlin. Robert Bolden and Charlie Shira were named All-Tournament players from Hamlin.

The Piperettes won consolation at the Anson tournament.

The Piperettes elected team captains for the 1969-70 season. They are Marcia Steele, senior; Debbie Hardaway, junior; and Ivie Harper, sophomore.

Several members of the Hamlin Piper band tried out for District Band at Hardin-Simmons University Saturday. Those making the band were Gary Carson, trumpet; Crystal Cheshier, Janice Hardy, clarinets; Toni Casey, flute; Terri Casey, alto sax; Chris Perrin, percussion; C. A. Jenkins, James Mayes, tubas; Darrell Craig, trom-

bone; and Mary Dell Jenkins, Jeanie Ferguson, French horns.

The Piper Stage Band entertained the H-SU Lamar Tech game Monday night. They played music before the game started and during the half.

Tickets are still on sale for the eleventh Annual Christmas Festival to be held December 15 at 7:30 p.m. in the Junior High Auditorium. Tickets are \$1.00 and may be bought from any band member or at the door.

Hardin-Simmons  
To Host Annual  
Girls Tournament

Sixteen West Texas teams will be in Abilene Dec. 12-14 to compete in the Nineteenth Annual Hardin-Simmons University High School Girls' Invitational Basketball Tournament.

All games will be played in Rose Field House, with the opener at 10 a.m. Thursday, Dec. 11, between Merkel and Hawley. Eight games will be played each day with the championship game slated for 9 p.m. Saturday.

No clear-cut favorite has been established for this year's tourney, but several strong teams are entered. Among them are Wylie, the consolation winner last year, and Lueders-Avoca, runner-up to champion Klondike, which is not in this year's tourney.

Klondike downed Lueders-Avoca, 61-34, for the championship last year, while Hamlin won third place.

Pack Meeting Set  
Tuesday Evening

The regular December Pack Meeting will be Tuesday, Dec. 16, at the primary cafeteria, says Cubmaster Gean Witt.

Refreshments will be served and gifts exchanged. Each person attending is to bring a gift. Boys should bring gifts for a boy, women should bring a gift for a woman and the men should bring a man's gift.

Awards will also be presented.

NEWS FROM ...  
Sylvester

By MRS. R. M. BARR

We had .93 in. of moisture this past week and had 2 inches of snow that was very wet. It was a big surprise to every one, even the weather-men.

Mr. and Mrs. Charles Scott drove to Ft. Worth last Friday to attend the funeral service for Hazzie Ward. Mr. Ward had lived in Sylvester several years past, he was the brother-in-law of Mrs. Ella Scott.

Mr. and Mrs. Jim Lanning has received word that Lt. and Mrs. Lee Lanning are the proud parents of an 8 lb. 2 oz. baby girl born Dec. 5, 1969, in San Francisco, Calif. Mr. and Mrs. Garland Moore of Roby are the maternal grandparents and have gone

to California for a few days. Mr. and Mrs. Jim Lanning are the paternal grandparents. If I have my information correct the young lady will be named Revelee Ann Lanning. Lt. Lanning is serving in Vietnam.

Many of our people have had old time bad colds. Every one is feeling better but still not well.

Mrs. Gerry Prather and the children drove over from Sweetwater and spent the afternoon in the W. B. Brown home on Sunday.

Mr. and Mrs. Joe Spikes of Abilene spent the weekend in the Roy Kiser home. Mr. and Mrs. Faye Dozier are in New Mexico with their daughter, Clethid, while she has back surgery.

Mr. A. J. Griffin is in Hamlin Hospital at this writing. The Woodford Pursleys of Abilene spent a few hours in town Monday.

## EAGLES SPEAK

Connie Dowell  
Shirley Gann

This past week the Eagles have really been on the go. Tuesday, Dec. 2, the Eagles played the Blackwell Hornets in the McCaulley Gym. The girls game ended with the score as follows: Eagles 41, and the Hornets 39. The points were made by Sue Smith, Polly Spalding and Vickie Smart.

In the boys game the Hornets beat the Eagles. Dec. 4, 5, 6, the Eagles were in a tournament at Benjamin. Thursday our girls beat Benjamin. But the Benjamin boys beat our boys. Friday we played O'Brien. The score in the girls game was O'Brien 72 and the Eagles 29. The boys score was O'Brien 47 and the Eagles 42.

Due to bad weather the game on Saturday was called off. This week is open, so our next game will be Dec. 16, in the McCaulley Gym at 7:00 p.m. We will play Noodle and everyone is welcome to come.

This year two seniors made all District first team offense in football. They are Wing Back Larry Smart and End David Hill.

Some People Still  
Failing to Get  
S.S. Credit for Work

Some people are still not getting social security credit for their work, according to R. R. Tuley, Jr., social security district manager in Abilene. These are usually people who work as babysitters, housekeepers, yardworkers, and as other types of household employees.

He said anyone who hires a household worker must report the employee's wages if he pays the worker a total of \$50 or more in cash wages in a calendar quarter. He added that many persons seem to be unaware of this responsibility even though it has been required by law for many years.

National Camp  
Fire Official Sets  
Visit Here Today

The Hamlin Camp Fire Council has been notified that Miss Harriet Tunnell of the National Field Staff will be in Hamlin today (Thursday) and Friday to formulate the Camp Fire activities with the local Council.

Workers will meet with

Miss Tunnell at the Hut. The local Council also learned that beginning Jan. 1, 1970, first grade girls would be eligible to become Blue Birds. All mothers wishing to work with first and second grades in August are asked to call Mrs. Jack Wick-er at 576-2307 Thursday to make plans to meet with the field representative Friday.
